

NEW! Spicer® Performance Ball Joint Kit for Jeep® Wrangler JK— Adds to Existing Jeep Coverage For Wrangler JL & Gladiator JT

Date: **September 28, 2020**

To: **All Dana Aftermarket Group Spicer® Performance Customers**

Dana Aftermarket is pleased to announce our new performance Ball Joint Kit offering for the Jeep Wrangler JK to complement existing coverage for Wrangler JL and Gladiator JT. Replacing the OE plastic-on-plastic design, these Genuine Spicer® ball joints are a metal-on-metal design, and include a grease zerk for extended life and serviceability. Our new Ball Joint Kit includes one upper and one lower ball joint, castle nuts and cotter pins: everything needed to service the front left or front right of your Jeep Wrangler JK, JL or Gladiator JT. For peace of mind off-road and ideal for use with larger wheels and tires, Genuine Spicer® ball joints deliver on quality and performance.

Front Spicer® Performance Ball Joint Kit
